PRIORITY PRE-REGISTRATION for FALL - Sat., May 7th @ Redondo Location

Priority Pre-Registration Day will be held on Saturday, May 7th starting at 9:00am at the Redondo School of Dance & Music, whether you will be taking classes at our Redondo, Hermosa, or Manhattan School. *We will begin promptly at 9am, or earlier once systems are ready to go and there are already people waiting in line.*

In order to better serve our valued current students, we offer Priority Pre-Registration Day to those returning next school year. On this day, you will be able to choose from our Sept. 2011 - June 2012 dance class and music lesson times before we open them up to the general public on May 28th.

Instead of waiting until September, you can have the convenience of confirming your lesson times now, so you don't have to worry about how your schedule will look in the Fall. With the first choice of class times, you can schedule 2 or more children at the same time, saving you valuable drive time and waiting room time. This also enhances our program offerings since we will have a chance to know which classes and times are more popular and schedule accordingly.

Remember that the lesson times you have this year DO NOT automatically carry over to next year's schedule, so please be sure to attend this important event! All class times are first come, first serve. You should have received your teacher's Recommendation Forms (progress reports) and next year's class schedule in the mail.

New Summer Camps Added By Popular Demand!

This summer we are offering many exciting one-week dance and music summer camps for all ages! Due to overwhelming demand, we just added a few more summer camps to our summer schedule! Whether you will be joining us in our Contemporary Dance Camp or you're going to rock out in our Guitar Camp, we are excited to see our students continuing their dance and music training over the summer.

Remember, you can create your own camp with 7 friends—just fill out a Camp Request Form ASAP at the front desk for first choice of dates/times! To check out our newly added camps & camp availability, please click on the 2011 Summer Guide link on our website.

Flexible Summer Dance Classes & Music Lessons

Many of our families assume that their current music lesson or dance class times continue throughout our 7-week Summer Session (July 11th—Aug. 28th). Please take note that we have a different summer schedule, and your current music lesson or dance class times DO NOT carry over to the summer session, so check with the front desk for our summer dance class and music lesson availability.

Flexible Music Lessons! Most students spend the first 2 months of Fall reviewing what they have forgotten over summer! Why not take a few summer lessons to keep up your skill or even try a new instrument? Let us know the weeks you're out of town when you register and we'll accommodate you with alternate lesson times for unlimited make-ups in the summer (a min. of 48 hour notice is required).

Flexible Dance Classes! In addition to our summer camps, we also offer Flexible Dance Classes! Come join us and get a jump start on the Fall curriculum. Don't worry if you're in and out of town throughout the summer...you can make up your missed classes, just call ahead.

Request a Summer Class!

Can't find a dance class time that works for you this Summer? We will open a class for you and 4 of your friends (*depending on studio availability*).

We have many options for classes after 3pm. Please visit the front desk to fill out a Summer Class Request Form today! To check out already scheduled classes, please pick up a **2011 Summer Guide** at the front desk or check out our website today!
